Newsletter: Volume Four - March 2020

Angels for Higher makes
Successful Presentations to the
Chicago Cubs, White Sox and
Bears!!!

Thank you Trinity Memorial Lutheran Church for Hosting our Meeting with the Down Syndrome Association of Northwest Indiana & Chicagoland!

We pre-qualified five candidates who, together with their parents, we felt were ready, willing and able to take on the challenges if working as Greeters at Chicago sports venues. There was also a great Valentine's Day dance afterwards!

**We met with Cubs' executives at
Legendary Wrigley Field!**

The next day we made a successful presentation to Cubs' executives, and so they were looking forward to interviewing all our candidates the following morning. We had hoped and prayed they would hire at least one Greeter, but they ended up hiring all five! The mother of one of the candidates said she knows her son's grandparents (life-long Cubs fans) are in Heaven "rejoicing in the presence of the angels of God!" (Luke 15:10)

We made a presentation to White Sox executives at Guaranteed Rate Field!

We had a successful meeting with the White Sox! They were very interested but wanted to wait until after Opening Day to conduct interviews. That works out great because it will give us time to recruit additional candidates.

**We met with Bears' executives at
Soldier Field!**

The Bears' executives might have been even more interested in our program than the other two Chicago teams! They're really looking forward to interviewing our candidates when we come back later in July when NFL teams typically do their hiring.

"...each time I leave, Chicago is, tugging my sleeve..."

Prayers, Donations, and Volunteers Needed to Help Angels for Higher Implement our Program at many more Athletic Venues!

Angels for Higher Greeters use their jobs as pulpits from which to joyfully proclaim God's message that every human being is incredibly precious, infinitely valuable, and eternally significant in His sight.

Will you help us advance the pro-life message that only Angels for Higher Greeters can bring to sports venues and the people in their surrounding communities?
