

ANGELS FOR HIGHER

Newsletter: Volume Four - June 2020

"Winning While Waiting"

We now have thirty-four Greeters placed in twelve different stadiums across the USA. Most of them came on board in 2019.

We were gaining positive traction with many additional venues this year until hiring freezes were implemented due to the COVID-19 virus.

As a result, stadium presentations have been on hold until further notice.

Nevertheless, we're committed to "Winning While Waiting" for travel restrictions to be lifted:

1. Enhancing our website
2. Forming mutually beneficial partnerships in support of our endeavor
3. Revising Amazon #1 bestseller *Angel for Higher* to include the many

recent positive developments

4. Accumulating content prior to meetings with ESPN and other nonfiction film producers concerning a sports-themed documentary about Trevor/AfH
5. Researching market potential, drafting a preliminary treatment, and composing a well-written script for a feature-length film of Angels for Higher's joyfully inspirational story in advance of meeting with movie executives

Angels for Higher Registered with the Orange County Community Foundation

Our recent good news is that Angels for Higher is now registered with the Orange County Community Foundation! It's like the 'seal of approval' granted

to an accountant who becomes a C.P.A.

The O.C.C.F. looks for nonprofit leaders who make great partners by lending their ideas, experience, time, or resources to make a lasting impact on their community.

Our O.C.C.F. database profile includes the following information:

- Angels for Higher's Story
- CEO statement
- CEO experience
- Background
- Program
- Impact
- Needs
- Areas served
- Board of Directors

Our profile includes a good description of AfH:

Video: Raising a Special Needs Child

The link below leads to a short, simple, and yet profoundly moving animated video of what it means to raise a child with a disability.

Initially embarrassed by his son, the father eventually comes to appreciate his ability to “soar”, i.e. to be the special young boy God designed him to be.

Similarly, Angels for Higher's parents shed happy tears when their children who have Down syndrome are able to use their God-given skill-sets to make a positive impact in the stadiums where they're employed.

However, unlike the bystanders in this video, when sports fans, fellow employees, team executives, and professional athletes come to terms with their Greeters' unique gifts, challenges, and abilities, they begin to understand who they are, appreciate what they do, and aspire to what they have:

You Can Help Angels for Higher Today

Angels for Higher continues to grow in the midst of the current COVID-19 pandemic. We do need your prayers and financial gifts to keep us moving forward. While travel expenses are negligible for now, we still have recurring obligations including office rent, utilities, administrative support, etc.

We're humbly seeking \$11,500 to cover our immediate needs through July.

Please prayerfully consider how you may partner with us. Thank you so much for your continuing prayers and support!
